About LASSO

The Learning And Student Success Opportunity Center (LASSO) provides academic support through a variety of programs. In addition to free tutoring for undergraduate courses, we provide free Supplemental Instruction and academic success coaching. We are located in 021 Classroom Building. The administrative offices are open Monday to Friday, 8 a.m. to 5 p.m., while the tutoring center has extended hours during the fall and spring semesters.

What LASSO Offers

TUTORING

LASSO offers free, one-on-one tutoring for OSU students. LASSO Tutors are high achieving and well trained. LASSO Tutors are available for over 350 courses, including Biology, Chemistry, Engineering, Math, Physics, Statistics and more. Please visit the LASSO Tutoring page (lasso.okstate.edu/tutoring) to sign up or for more information.

SUPPLEMENTAL INSTRUCTION

Supplemental Instruction ("SI") is a group study opportunity available to students enrolled in traditionally challenging courses at OSU. SI sessions are led by students who have already successfully completed the course and received an "A." SI sessions are offered multiple times each week and focus on reviewing key course content, discussing class lectures and preparing for examinations. Please visit the LASSO Supplemental Instruction page (lasso.okstate.edu/si-info) for more information.

ACADEMIC SUCCESS COACHING

LASSO offers free Academic Success Coaching for OSU students. All of our success coaches are professionally trained and committed to student success. Coaches can help students set academic and personal goals, develop time-management plans and study schedules, resolve issues adjusting to campus, implement success strategies and improve relationships with peers and professors. Please visit the LASSO Success Coaching page (lasso.okstate.edu/success-coaches) to request a Success Coach or for further information.
