Primary Care Workshop
Primary Care Workshop: KU School of Medicine - Wichita Campus, Thursday, May 23 9:00am–4:00 pm

About the Program
This one-day workshop prepares Kansas students to get the most from shadowing physicians, understand “life as a doctor”, learn about universal precautions, and learn the basics of a physical exam. Students will participate in a physician led Problem-Based Learning (PBL) group illustrating a clinical office visit. There will be breakout sessions to individualize learning about suturing and aspects of the physical exam. There will be an opportunity to visit with current medical students and receive a tour of the campus. Presentations throughout the day include navigating the doctor’s office visit, professionalism, patient confidentiality, and maximizing your shadowing experience.

Eligibility Requirements
Applicants for this program must be permanent Kansas residents or students at a Kansas college or university who have attained sophomore standing as of date of workshop.

- Applicants who are permanent Kansas residents are not required to be enrolled in a Kansas college or university in order to participate in this program.
- Applicants must have a minimum 3.25 cumulative grade point average.
